Unless you enjoy getting beer everywhere
And a piece of advice, thou shall tilt thy glass
‘Cause a foam moustache makes you look like an ass.

Girls Pint Out (GPO) is a national craft beer organization for women with a mission to build a community of women who love craft beer and who are an active, contributing part of the greater craft beer community. Many female members in Hogtown are also active in GPO. We’re not saying what you should do... we’re just saying that’s what they do!
